RYAN WANGLER

Graphic Designer

WORK EXPERIENCE

Freelance/ Contract Graphic Designer

Sep 2024 to Current

Collaborated with clients across industries to deliver custom branding, print, and digital design solutions. Projects included logos, marketing collateral, social media graphics, and packaging. Managed timelines, revisions, and production independently.

Graphic Design Specialist at Envision Radiology

Aug 2023 to Sep 2024

Collaborated with cross-functional teams to design a variety of print and digital assets supporting sales, marketing, internal communications, and patient/provider engagement. Deliverables included brochures, flyers, posters, digital signage, social media/web graphics, and vendor coordination for branded collateral.

Key Contributions & Skills Gained:

- Led design for campaigns and events that boosted brand visibility
- Streamlined workflows with improved project and file management
- Turned stakeholder input into effective, on-brand communications

Graphic Designer at Signarama

Apr 2022 to Aug 2023

Alongside my design role, I helped with production and vendor coordination for a wide range of deliverables—including vehicle wraps, indoor & outdoor signage, vinyl decals, business cards, and trade show materials—ensuring quality execution from concept to installation.

Designer for Inside Out Youth Services Colorado Springs (non-profit)

Sep 2020 to Feb 2022

Served as the organization's sole graphic designer, managing a wide range of creative projects in fast-paced environments. Strengthened brand identity across platforms, contributing to increased donations and enhanced community engagement.

Internship at Big Brothers Big Sisters Twin Cities (non-profit)

Sep 2019 to May 2020

Collaborated with marketing leadership to develop a wide range of impactful materials and initiatives. Key contributions included creating branding for new programs, designing engaging social content and improving file management systems.

EDUCATION

University of Minnesota College of Design- Twin Cities | GPA: 3.1

Degree: Bachelor of Science in Graphic Design

Minor: Retail Merchandising

*Student Athlete on the Men's Gymnastics Team 2016-2020
